Main Floor Plan : 1,941 sq ft

The double-door entry opens into a sweeping, open two-storey foyer and great room that features a curved staircase. As you move to the back of the house, a formal dining room and den flank the stairs. The family room, nook, and a large kitchen offer views to the rear of the house as well as access to a spacious partially-covered deck. A fireplace greets you at the end of the family room.

The upper floor features the master suite at the top of the stairs, complete with a large walk-in shower and double vanity sinks, as well as a rear-facing balcony. The loft looks down to the entry and great room below and includes a curved railing detail. The laundry is located near the second suite which is located over the garage. A spacious bathroom is located between the other two secondary bedrooms, and offers two sinks and ample storage.
